

Make your mark.

Add custom engraving to BASYS® faucets.

Sloan's BASYS faucets with laser-etched engravings offer the final touch to the complete brand story. Combine your custom engraving with the sleek and modern feel of the BASYS faucet to make your commercial restroom truly unique. Engravings are available on polished chrome BASYS faucets with bowed (plain) crowns.

BRAND AWARENESS

Put your brand in front of all that use your commercial restroom. Great for sports teams, universities, corporate headquarters and more.

CREATIVE FLEXIBILITY

Architects and designers can also use our custom engravings to add patterns to faucet crowns in their commercial restroom projects.

Laser-guided branding.

There are limitless possibilities with Sloan's custom engravings.* All engravings are laser etched onto the crown for the picture perfect look, without sacrificing detail and precision.
